the *Marshallite*

Annual Publication of John Marshall High School, Richmond, Virginia

John Marshall High School—the only high school in the United States with a shrine on its campus.

Foreword

PROPERTY OF
THE LIBRARY OF VIRGINIA
RICHMOND, VA

Home of Chief Justice John Marshall.

"There's gladness in remembering old days and distant friends." Thus this year *The Marshallite* staff has endeavored to compile an annual which will, through story and picture, mirror our high school life.

We have chosen as the background for our story the life of the great jurist for whom our school is named, John Marshall. That name, to Marshallites, is a symbol of honor, integrity, and high ideals. May the accomplishments of this noble American ever be an inspiration to each of us.

Miss Edith G. Sydnor

Dedication

IN RECOGNITION OF HER UNBOUNDED INTEREST AND UNTIRING EFFORTS IN MAKING HISTORY, PAST AND PRESENT, LIVE FOR US AND INSTILLING IN US THE WILL TO LEARN—THE TRUE KEY TO ALL KNOWLEDGE—WE PROUDLY DEDICATE THE *Marshallite* OF 1953 TO MISS EDITH G. SYDNOR.

UNDER the direction of Dr. C. Patrick Ely, the National Honor Society received its charter in 1939 and began its scholastic work. Last term thirty-three members were added, making a total membership of 607. Miss Wilhelmina Wright is sponsor.

To be a member of the Honor Society a student must have an average of 90 per cent or above. He must also fulfill the qualifications for character, leadership, and service.

As its project for the year, a committee made efforts to get addresses and occupations of the former members. The society was fortunate to have Dr. Edward C. Peple, a professor at the University of Richmond, Dr. Lambuth Clarke, of Randolph-Macon, and Mrs. Fred B. Dixon to speak at the meetings this year. Dr. Peple's topic was the importance of using your ability for success. The members became better acquainted with college life when they heard Dr. Clarke's interesting talk. Mrs. Dixon's topic was "The Great Adventure."

Recreation played an important part in the activities. Phyllis Crenshaw, president for the fall term, invited the members to a Christmas party at her home, and the group went on a picnic at the end of the spring term. After Easter they had an informal gathering at John Marshall at which time refreshments were served. Everyone had a good time chatting with his friends.

Five students in the society took the National Honor Society scholarship examination in March. Students all over the United States compete in hopes of winning a scholarship to any college. Shirley Erhart, Mary Lou Davis, Edith Davis, Ed Ferguson, and Platon Brown represented John Marshall.

Any student who receives an invitation to become a member of the National Honor Society is honored, and he should strive to uphold the standards not only of his society, but of his school.

THE John Marshall Student Association is composed of the entire student body. The executive committee, elected by the students, carries out the work of the student association. With Miss Arnita Raffo and Mrs. Mary Warinner as sponsors, the student association made numerous accomplishments during the year.

The group sponsored a Night Pep Rally before the JM-TJ football game. This was the first night rally that the school has had in six years. As usual the student association assisted in the March of Dimes, the Crusade for Freedom, and helped with the school insurance policies. The research commission brought four speakers from the community to the homeroom presidents meeting. Assisting with the production of the Operetta was another job done by the commissions.

The executive committee assumed a new duty this term. The group selected a new diploma to replace the out-of-date style of the former diploma.

Pencils were sold by the executive committee again this year. The committee continued to urge the student body to uphold the John Marshall Honor Code.

With initiations in April and November of last year, the John Marshall chapter of Quill and Scroll, the international honor society for high school journalists, accepted twenty-seven students as new members of the organization.

From *The Monocle* staff came Nita Brooks, Elsie Dunivan, Blanche Daniels, Mary Lou Davis, Edith Davis, Shirley Erhart, Judy Knight, Bill Odom, Ed Ferguson, June Parrish, Connie Phillips, Meredith Puller, Betty McGhee, Ethel Phelps, Bob Saunders, Anne Rea, Nancy Smith, Harold Dixon, and Mary Hackett. Mr. Ernest Mooney joined as an honorary member to the delight of everyone.

Shelby Broughton came from *The Record*, while Ruth Bohannon, Lionel Hancock, Anne Richardson, Virginia Bowers, and Barbara Williams came from the *Marshallite* staff.

After both initiations, together with the National Honor Society initiates, parents, and Teachers, these new members attended a gay party in *The Monocle* pressroom. Delicious refreshments and singing provided most of the fun.

With gay decorations, laughter, and mistletoe, the Society had its alumni party for old members in room 104 in December. Among the former members who attended were Frances Crouch, Ann Auckerman, Eugene Bowles, Mel Roach, and Keaton Harold.

Quill and Scroll members also attended the 24th anniversary of *The Monocle* March 2. Allen Harris, of the *Monocle* staff, baked five big cakes of various colors for the occasion. Another staff member, Bob Johnson, entertained with his popular accordian. Dr. Dixon and many other distinguished guests joined in the fun.

From this organization, our school newspaper receives a rating and many top honors and awards.

To become a member of Quill and Scroll, a student must rank in the upper third of his class, must have done distinctive work on a publication, must be recommended by the publication adviser, and must be accepted by the chapter sponsor, Miss Charles Anthony, and the executive secretary of Quill and Scroll, Mr. Edward Nell.

THE purpose of the John Marshall Forum Club is to discuss and stimulate interest in current problems in order to promote good citizenship.

Highlights of the past year were: The participation of the club in the Virginia High School Forum which took place in our auditorium; a talk by Mrs. John Pearsall, 1951 general of the Community Chest, who told of the importance of that civic organization; and a joint meeting with the Literary Society in which we heard Dr. Rachel Henderlite talk of her adventures in Japan.

Other projects of the term were the annual Christmas party and Spring picnic, and the representation of the club at the Jayem-Teejay football game by means of a float designed and decorated by its members. Through such projects, we hope to become better Marshallites and better citizens.

"Getting the news through reviews"

Miss Charles Anthony

IT seems only a few years ago now when a teacher from Danville High School became a member of the John Marshall Staff. This was an important moment in the history of our school, for, inspired and led by Miss Charles Anthony, Marshallites began the publication of our school paper, *The Monocle*. This paper has won international recognition by receiving from the Columbia Press Association *Medalist* or first place ratings every year but one for twenty-four years. Within the last five years four *Medalist* ratings have been received. In addition, three times in the last four years it has won the S. I. P. A. trophy. Miss Anthony's natural gift for writing, her superior skill, and her ability to inspire her students in the field of journalism, in large measure, have made our paper an excellent one.

This organization serves an additional useful purpose to talented girls who are unable to take Voice in a regular class because of conflicts in schedule or insufficient time.

Meredith Ann Puller, who was elected president of the city-wide Harwood chapter, visited 14 shut-in children with Miller and Rhoads' Santa Claus before Christmas. Rodney Brooks worked hard at collecting paper and made a radio broadcast for Senior Red Cross.

Bonito bello, encantador! These are the words that were used by the members of the Don Juan Club to describe the beautiful *Nacimiento* that was the center of attraction at our annual Christmas party. *Pues*, whichever word was applicable, the fact remains that the program proved very enjoyable especially for those who had never experienced the thrill of breaking a Piñata and sharing in the spoils of the battle which naturally resulted.

Dancers, speakers, movies, records and games filled the other hours that the Spanish-lovers spent together. A special demonstration of the rumba, samba, and tango, presented by a couple from the Arthur Murray studios, started the year in the true Latin spirit. Mexico, Chile and Peru were the principal topics of our speakers and movies. In tune with the times, our puppets were indoctrinated in *la política* and prior to the election they gave us a sample of the rivalry that existed between the devotees of *el burro* and *el elefante*. This provided abundant opportunity for originality both in dialogue and costume. *Qué divertidos!*

The annual modern language banquet found the Don Juans doing their bit and enjoying the variety programs provided by all the language students of the city. A talent scout would do well to attend this performance of local singers, comedians, and actors. What other performance could attract a mere four-hundred? The food was good, also.

And last but not least, the enthusiasm of *los miembros del club* on the trip to Washington will never be forgotten. The capacity for food and the endurance manifested in ascending the Monument and keeping up with the leader through the Smithsonian Institute, The Pan-American building and the Capitol were feats unexcelled by man or beast. The last lap, the twilight hour spent with *animalitos* in the *jardin zoológico* proved to be most inspiring for these modern conquistadores. A great kindred feeling was evidenced on the part of both visitors and inmates.

But, *Qué lástima!* Like this article, all good things must come to an end but *el año próximo* in fulfillment of its motto: *<Adelante, siempre adelante>* the Don Juan Club will again make a name for itself among the clubs of John Marshall.

Distributors' Club

THE Distributive Education Club is a professional organization open to all students who are majoring in Distributive Education. A D. E. student works on a part-time cooperative retail training program, attending school half day and working in retail stores a minimum of 15 hours a week. The in-store work experience is considered a laboratory exercise related to classroom instruction. Units in Salesmanship, Speech, Merchandise Information, Advertising, Display, Retail Math, Human Relations, and Stockkeeping are covered in classroom instruction.

The John Marshall D. E. Club is a member of the Distributive Education Clubs of Virginia, of which there are over forty school memberships. In turn, all the Virginia clubs belong to the DECA—The Distributive Education Clubs of America. The club is national in scope.

This year our club attended the Annual District Conference. Competing with representatives from Hopewell, Fredericksburg, Petersburg, and Chase City, Jerry Soble came in second in a speech contest. The topic was "DE Blueprint for 1953." JM also took first place in the "Judging of a Demonstration Sale" contest, and second place in both the "Judging of a Job Application" and "Judging of a Display" contest.

The annual Convention was held in Richmond in March. Jerry Soble represented JM as official delegate. However, all club members were allowed to attend the open sessions of the convention and were treated to a banquet at which Governor Battle was principal speaker. Contest entries were prepared for the Merchandise Manual contest, the poster contest, and the display contest held in state-wide competition at this meeting.

Perhaps the club is best typified by its diamond-shaped pin and emblem. The four points of the diamond represent vocational competence, economic literacy, social intelligence, and leadership. The wrapped package in the center signifies a job well done.

THE Diversified Occupations Training Program at John Marshall is designed primarily to offer *Selected* high school students an opportunity to prepare themselves for a specific trade or industrial occupation of their own choice through part-time employment while still in school.

This program may include any industrial pursuit, skilled or semi-skilled trade, craft, or occupation which directly functions in the designing, producing, processing, assembling, maintaining, servicing, or repairing of any manufactured product. It may also include other occupations which are usually considered technical.

The program operated through a coöperative agreement between employers, student's parents, and the school. Only students in the junior or senior years are eligible to enter the program. A student meeting the requirements for entrance is permitted to select employment in one of several approved occupations which, in coöperation with the school, agrees to serve as the student's training agency. Much care and thought are given by the coördinator and counselor to the satisfactory placement of each student. The

student then receives training in the occupation of his choice under actual working conditions, devoting a minimum of three hours a day, five days per week to work on the job. The student devotes three hours a day to school work where he receives one hour of instruction specifically related to his job and two hours of instruction in subjects required for graduation. Credit is granted toward graduation for satisfactory work on the job. In addition the learner is paid a fair hourly wage by his employer.

Thus the student benefits in that he gets a practical insight into the world of work and receives valuable training for the occupation of his choice. He will also profit from the opportunity thus provided for attaining desirable attitudes and good work habits.

Through this program the student is enabled to retain his identity with his school group and upon graduation he has earned the necessary credits to enter college if he so desires. He also gains the necessary work experience to enable him to readily secure full-time employment. Records show that a large per cent of the boys and girls completing the program continue as full-time employees with the employers who coöperated in the training.

THE John Marshall Literary Society is composed of a select group of students who are interested in books and authors. The constitution of the Society limits the membership to forty.

To become a member one must be recommended by a teacher of English and be approved by the Membership Committee of the Society.

During the past year the program chairmen have worked with the sponsor to offer varied entertainment for the group. Beside discussions of books and authors and reviews of moving pictures, the programs have included a study of parliamentary procedure; a guest speaker who had been on the faculty of a school in Japan; another, who described her teaching of English literature in a Chinese preparatory school; a meeting honoring Edgar Allan Poe on his birthday; a moving picture presentation; an amateur writers' day, in which students read their own best literary work; and a variety of other programs.

The club members go on informative field trips, which help to broaden their knowledge. During the year they have visited the Poe Shrine and seen the Poe manuscripts and the Bible collection at the Valentine Museum. They also make annual visits to

the State Library, where they see the Archives Department and the room of rare books.

A Christmas party held in John Marshall's home-making room gave the girls an opportunity for a delightful social gathering and for participating in a quiz appropriate to the season. The members initiated in February were entertained by a contest in which they identified titles of books from clever illustrations.

The Literary Society is an aid to a better appreciation of literature and a wider acquaintance with modern authors. It also gives opportunity to a limited number of students to obtain practice in the leading of groups.

A new committee added this year keeps the members informed about important moving pictures being presented in the city as well as worth-while literary programs that are broadcast or televised.

To give evidence of the club members' school spirit and desire to support the athletic team, the students worked diligently to decorate a donkey-drawn cart for the John Marshall-Thomas Jefferson football game.

THROUGH the efforts of Mrs. Charlotte Wheeler DeCourcy and Miss Eva Branch, the class of Drama became a regular part of the speech course in 1938. Room 209 is equipped with a small stage, curtains, lights, a storage room for furniture, and cabinets for small properties and costumes. A book box and file contain the proper number of scripts of nearly 150 plays from which to choose class productions. After a short course in the history of drama, every member of the class is cast for acting. Each member appears in at least four short plays during the term, all rehearsing at once in various parts of the room and on the stage. For the presentation of each play, one day is set aside. Each cast issues a formal invitation to another class, meeting at the same period, to be the

audience; and the play is presented, each member of the group being responsible for the committee work necessary to produce a play, such as; costumes, lights, stage, props, make up, set, and bulletin board.

The purpose of this course are: the improvement of speech, and practice in leadership, coöperation, independence, poise, responsibility.

Each student keeps a record of the activities of the course in notebook with pictures and descriptions of costumes through the ages.

Some of the one-act plays used as class work are: *The Valiant*, *The Dear Departed*, *Always a Prisoner*, *Never Too Old*, *Overtones*, *When the Whirlwind Blows*, *Holding a Husband*.

Mes amis, come right this way while we reflect on the activities of the *Sans Souci Club* during this past year.

Speakers, movies, games, and records filled the enjoyable hours we spent together. Among our speakers Madame Yvonne Leroux offered French-flavored opinions about her countrymen and American Life. Pierre Medard, a student in Richmond, dispersed a young person's viewpoint on America and France.

Some of our students entered the foreign language tournament in order to test their *savoir faire* in French!

Our foreign language banquet, which climaxed the year, seemed very apropos to everyone concerned. This event is always anticipated with pleasure by French students who are practicing their *a la carte* and *table d'hôte* in order to read the menu.

The *Sans Souci* ends the year only looking forward to an equally eventful year in 1954.

IN November, 1938, four students and a faculty sponsor, Miss Rosa Branch, organized the Christian Youth League to give all Christian Marshallites an opportunity to worship, to study and to discuss topics concerning Christian living, and to enjoy Christian fellowship. Since then, the group has grown considerably. Its present roll of eighty-five members is the largest, and there are two sponsors now, Miss Branch and Miss Fannie Rowe Brown.

For the Christian Youth League, this year has marked a number of "firsts." Believing that a day begun with God is a better day, the League began the Morning Watch, which meets every morning at 8:20 in the Audio-Visual Laboratory. It is open to any Marshallite who wishes to pause for a brief moment of prayer and meditation before school.

The members of the Service Committee have visited the children at the City Home after school two afternoons a week. At Christmas they gave a party for them, and the League presented each one a Christmas gift.

Also, at Christmas the Christian Youth League sponsored a before-school carol sing for the week

immediately preceding the holidays. Shortly after Christmas a small organ was obtained from the Anderson Bible Class of Highland Park Methodist Church to replace the at-last worn-out organ which had been in the organization for over ten years. During Brotherhood Week the group sponsored an assembly program for the school with Rev. Byron Wilkin-son as guest speaker. The first Sunday in February the League attended the morning worship service at Highland Park Christian Church.

The Worship Committee presented a series of programs on the Life and Teachings of Jesus, having special programs on His birth, the Crucifixion, and the Resurrection during the seasons in which these events are celebrated. Among pastors who visited the League were the Rev. Perry Mitchell, the Rev. Edwin Shattuck, and the Rev. Parker Hooper.

On a clear, crisp day in October Miss Branch opened her cabin on the Rappahannock River for an all-day outing. On March 6, a party was held at Battery Park Community House. In May the year's activities were rounded out with the annual Christian Youth League Banquet.

V. O. T. CLUB

THE John Marshall Chapter of FBLA was organized in April 1952 by students in Vocational Office Training. FBLA seeks to develop competent business leadership, to encourage improvement in scholarship and promote school loyalty, to develop character, train for useful citizenship, to foster patriotism, and to participate in worthy undertakings for the improvement of business and the community. The theme of FBLA is: "SERVICE, EDUCATION, PROGRESS." Our members have participated in many noteworthy projects this year—social, philanthropic, and educational.

The members of FBLA, who are employed in the Vocational Office Training work experience program, sponsor an Employer-Employee Banquet annually. This is a most enjoyable event and the major project of the year.

FBLA members are taking an active part in the state organization this year. June Parrish represented J.M. in the Speech Contest held at Mary Washington College during March.

BUSINESS CLUB

THE main purpose of the FUTURE BUSINESS LEADERS OF AMERICA, Business Education Club, is to acquaint its members with the outstanding business men of their locality and to keep them informed as to the changes in business practice.

By visiting the wide-awake, best business houses in the city pupils are greatly benefitted. It affords opportunities for them to see the "business world" on the job; it gives each a chance to make a wiser selection of his life-time occupation.

The project for the term was a study and discussion of the most profitable business in one or more states in the different sections of the Union. Other activities include movies, visits to several of the best business houses in the city, as well as a Christmas Party, and a Spring Picnic.

We are greatly indebted to the Chesapeake and Potomac Telephone Company of Virginia for the many courtesies extended us during the term.

KEY Clubs have been formed all over the country as service organizations. The Japan Club is one of these.

The members of the club must have done outstanding scholastic work. They must be recommended by a teacher, approved by the principal and voted in by the members of the club.

These boys work to develop leadership and serve the school in anyway possible.

Key Clubbers of John Marshall have worked to benefit the students by sponsoring vocational programs, on subjects such as, newspaper work, radio-television and many others.

Boys from the club decorated the City Stadium for the football games and had sheets of cheers distributed to the students.

As is the custom, the Club honored the fathers with a Father-Son Banquet at Ewatts. A banquet was also held in honor of the members' mothers.

The club elected Barbara Wade as its sweetheart from the fall term and Dot Marks from the spring term.

In coöperation with the University of Richmond Glee Club the club sponsored a concert in the high school. The boys worked hard to publicize the presentation and sell tickets to make the show a success.

The club also helped the school athletic council by

selling books of season tickets to the Jayem home basketball games.

Alan Getz, one of the prominent members of the Jayem Club was elected Governor of the Capital District.

In a recent convention sponsored by John Marshall Club, given in Richmond for members of clubs from the surrounding states of Maryland, North Carolina, and many others, Kenneth Burke, nominee for the office of Lieutenant-Governor, was elected. In a talent show given at intermission of the dance that followed the convention on Saturday night, March 28, Lewis Brandt, with his guitar singing "I'm A Ladies' Man," won second place.

The club presented, as it does every year, a program to the Kiwanis Club. The program was opened by Edward Ferguson, who welcomed the guests. Later Alan Getz spoke and a group sang three of the club's favorite songs. The Marshall Singers ended the program with a number of songs.

These and many other projects would not have been successful without the Kiwanis advisors, Mr. Andrew Welsh and Mr. Angus Gunn. Mr. James C. Harwood, who is always a great help, will counsel the club in the coming year with the same help he has given through the past.

"Fiddle—Faddle"

MR. Morton L. Minnigh, who had served for three and a half years as director of the band and orchestra, left our school in January to work on his M.A. degree at Columbia University. At a banquet held at the end of the term, the orchestra presented Mr. Minnigh with an ebony baton as a token of their appreciation and esteem.

Mr. A. L. Stoutamire, formerly teacher of music at Binford Junior High School, became director of the band and orchestra at the beginning of the spring term.

The members of the orchestra visited radio station WRVA in December, and were taken on a tour of its studios. The picture for *The Marshallite* was taken at this time.

Eight people from the string section of the orchestra participated in the annual String Clinic held at Thomas Jefferson High School in December.

The Gilbert and Sullivan operetta "Ruddigore" was presented in the school auditorium on April 24 and 25. The opera class and the orchestra combined to produce this opera.

Girls' ***Athletic Association***

THE purpose of the G.A.A. is to encourage girls in all phases of the physical education program; to promote good scholarship, school spirit, and sportsmanship in all of its members.

The association is divided into teams, which compete against one another. Each girl who participates in the activities of these teams is given points, which are kept on file throughout the four years at J.M. Emblems and letters are awarded when a girl reaches a specific number of points.

During each meeting regular business is conducted. After the business session the vice-president provides some form of entertainment such as: movie slides, games, talent from members, and outside speakers.

W. C. LOCKER
Founder and Principal
(1911-1946)

John Marshall Evening School

"EVERY institution," said Ralph Waldo Emerson, "is the lengthened shadow of a single individual." This may not be quite true in the case of old "J. M.," which, in the dim and distant past, evolved from the former Richmond High School, but, in respect to John Marshall Evening School Mr. Emerson's epigram is strictly true. It is no exaggeration to say that this great school is the lengthened shadow of W. Clyde Locker.

John Marshall High School opened in September 1909. Two years later, October 16, 1911, the John Marshall Night High School began its first term under the principalship of Mr. Locker. It was a modest beginning, the faculty consisting of only three teachers. Before the end of that first year, however, the staff had doubled several times, and very soon John Marshall Night High School was known nationally as one of the great adult educational institutions of America.

For thirty-five years Mr. Locker served as principal and during that time 85,000 persons were influenced to some degree or other by the John Marshall Evening School.

Although you have not yet had the opportunity of attending the Evening School, you probably have not escaped the influence of this kindly gentleman, who for one-third of a century was the heartbeat of our Evening School. He is the same Mr. Locker who for these same thirty-five years was the Director of Penmanship for the Richmond Public Schools.

Every time you sign a check, or write a billet doux, or fill in an application blank, Mr. Locker's influence may be seen at the point of your pen. And if, in elementary school, you worked hard on your Locker Writing, you undoubtedly strengthened a bit within yourself those traits which Mr. Locker unceasingly emphasized in the Evening School: accuracy, regularity, faithfulness, consistency, and service. Although for seven years now Mr. Locker has not been actively connected with the institution which he directed for so many years, these ideals are still the goal of John Marshall Evening School.

Since Mr. Locker retired in 1946, the Evening School has been administered by Mr. Oscar H. Parrish, a gentleman you all know as assistant principal of John Marshall. Under him, the adult school has continued to prosper and to progress, fulfilling the desire of the Richmond School Board that anyone wishing to use his evenings for educational advancement should have the opportunity.

"Friends—first, last, and always"

THE Y-Teens are members of clubs sponsored by the Y.W.C.A. for junior and senior high school girls. Each club elects its own officers and plans its own programs and school activities. However, the club works with the Y.W.C.A. It adopts the ideals and goals as laid down by the mother organization. "Since the strength of a nation lies in the character of its youth, youth must learn to face life without confusion, to care what happens to people everywhere, to make sound plans and carry them out, to take responsibility, to face personal problems intelligently and with fortitude, to appreciate the values of education, good health and good citizenship in a free society, to be worthy of living in a free society, and to get along with others." There are discussions on such everyday problems as charm, personality, boy and girl relationship, clothes and religion. When convenient, speakers are obtained to talk on particular topics under discussion. This year the club has had speakers who have given talks on the following subjects: personality, good health and posture, fall clothes, and career in the Waves.

A representative from the Y.W.C.A. came to one meeting and led the group in singing typical Y.W. songs. At another meeting a stylist from Thalhimers brought clothes from their store and gave helpful

hints as she displayed the garments. On two occasions movies have been shown.

There are plenty of social activities in which the club members may participate. At the beginning of the season a tea was given for the new members. Last fall the girls took part in a fashion show at Thalhimers. Imagine the thrill the girls received when they donned those frocks and paraded in them. Some girls were in the car float for the Teejay-Jayem game at Thanksgiving. The slumber party at the Y.W.C.A. was the highlight of the year for sheer fun. Once a month the club goes to the Y.W. for lunch. A good dance, of course, will climax the season.

The Y-Teens do not confine all their activities to social features. Charity and community help are included in the Y-Teen's goals. Chocolates were sent to crippled children in hospitals in Italy. At Christmas the club adopted a little child at the Crippled Children's Hospital. They bought presents and took them to her. Cookies have been made and sold from time to time to help finance these projects.

The club meets every Friday during 4 B and C. After the business meeting is over and all work on projects is completed, the girls chat, sing, or play games—whatever befits their moods at the time.

The above picture was taken at the Christmas party.

It is once more time to extend salutations and farewells.

We have our regrets. Our co-editors will be difficult to replace. Jackie Randlette was voted "the most intelligent" and Ann Hunter "the most likely to succeed."

Among our more industrious staff members, too, is Jimmy Dodl, Business Manager. His efforts have increased our advertising. These are not the only ones worthy of recognition, for there are numerous associated workers and members and persons not on the staff without whose help we could not continue.

This year, we repeat, for the first time, shooting squarely at quality rather than quantity, we have limited the appearance of *The Record* to once each semester. In this way the staff has more time in which to get out the best magazine possible, and our readers can enjoy an improved (we hope) magazine for less money.

In old days, before radio and TV, we appeared monthly; then we became a quarterly. Now we are semi-annual. We like it.

To you, the student body, we are indebted for your support and financial aid. We wish to thank you

especially for your acceptance of bi-annual publication in our effort to reduce student expenses. Manuscripts which have been original and honest. We are proud of our having won the All-American Honor Rating in four previous years.

Mrs. Henderson's advanced typists are deserving of praise, too. Her students have been faithful to us even when swamped with floods of manuscripts.

The Record would like to express their thanks to Miss Mary Lambert, Director of Publications; Miss Altha Cunningham, Art Director; and Mr. Walter F. Beverly, Literary Adviser, for valuable aid.

Orchids, also, to Shelby Broughton's distinctive covers! Shelby was our representative to the S.I.P.A., too.

The Monocle

ONCE again winning, in the fall, the highest award given by Quill and Scroll, *The Monocle* staff began another successful year of bringing its readers news of school events, community happenings, and world affairs.

In March, four delegates went to the Columbia Scholastic Press Association in New York; they were June Parrish, Connie Phillips, Jim Bardin, and Bill Hatcher, who returned with the news that *The Monocle* had once again won top honors. The paper has won this award a dozen or more times. In April, one delegate went to the Southern Interscholastic Press Association in Lexington to receive a rating for the paper.

Making few changes in its composition, *The Monocle* has backed many worthwhile activities such as the Junior Red Cross, Community Chest, Tuberculosis Christmas Seals, and the March of Dimes Polio Campaign.

By working on *The Monocle*, many staff members have achieved the standards necessary for membership in International Quill and Scroll and the National Honor Society. They must keep a high scholastic standing as well as publish an outstanding paper.

The two honor organizations joined the staff for a November party, followed by an alumni party for Quill and Scroll in December. The twenty-fourth anniversary party was March 1, and pepsi-parties took place at various times for no special occasion.

The Marshallite

WE, the *Marshallite* staff of 1953, hope to recapture the joyous events that made up our senior year at John Marshall. This volume will remind us of all that we would like to remember—the exciting games, the gay dances, and the many club and homeroom activities.

The co-editors, Virginia Bowers and Charlotte Merrill, together with the rest of the staff, have endeavored to make this publication the best ever. However, we could have done nothing without the able leadership of Mrs. Burnett and Mr. Arnold.

This year Mr. Arnold called on each member of the senior class to help sell ads. Bill Robinson and Lionel Hancock were the top "ad-getters" of the year.

The staff has enjoyed to the fullest the organization and decoration of our new home, 2C. We would like to thank Dr. Showalter for our chairs, desk, and bookcase, and Charlotte Merrill for making our drapes.

Mr. August Dietz, Jr. joined our *Marshallite* family this year as printer. We will not soon forget our meetings with Mr. Ford, our commercial artist, or the trips to see Mr. Christopher, our engraver, and Mr. Dietz.

We hope the seniors will enjoy our *Who's Who* section as much as the staff enjoyed planning and taking the pictures. We thank Mr. and Mrs. Merrill for the use of their home and yard and especially for the surprise party.

All the memories of the past and hopes for the future are bound up in this book, the representative of our high school life. It is our sincere wish that you will like it and will enjoy hours of reminiscence.

The Honor Court

THE judicial body upon which the responsibility of the Honor System lies is the Honor Court. The Court is composed of all commanders, the adjutant and such others as the Court sees fit to elect by unanimous decision, the total membership not to exceed thirteen.

The purpose of the Honor Court is to prove beyond a doubt the guilt or innocence of persons accused of violating his honor. Acquittal by this court assures the accused that no stigma exist on his record. However, if the accused is found guilty his punishment is severe, the system being uncompromising.

Every member of the corps is honor bound to report every breach of the Honor System that comes to his attention, and failure to do so is itself a violation of this same system.

The Honor System is designed to instill in the cadet a true service of "Duty, Honor, Country," and to further the desire of each cadet to develop within himself a feeling of self-respect and pride.

In order to achieve this goal, each cadet must resolve to implant these standards within himself, for a system of honor is the very foundation upon which rests the morale and spirit so prominent in the corps.

THE group designated to maintain the Standards of the Corps regarding conduct and appearance is the General Committee. The body is composed of all commanders, officers of the three upper classes and three members elected at large from the first class.

Authorized by the Commandant, it is the corps' approach to student government. Actually, the committee is more than authorized, since definite support and encouragement are offered by the Commandant in every respect in order that the traditionally high standards be upheld by each succeeding class entering the corps.

The duty of the General Committee is to enforce rules made by the corps, regarding appearance and conduct in public. It is the duty of each member of the corps to report violations of these rules, and the duty of the General Committee to see that these rules are enforced. The reputation, which the corps enjoys as gentlemen, is the result of this system. Lesser duties of the committee are the enforcement of class privileges and "rat," new cadet, restrictions.

THE Hop Committee is a voluntary group composed of cadets from all companies and all drills. Each job that goes to making the Hop a success is taken care of by a separate committee. Each of these is supervised by a chairman.

The first big problem is the debatable question of the colors of the decorations and a plan for the arrangement of them. These are decided by the vote of the corps. Next the various committees plan and carry out each phase of their assigned duties.

When all the tasks have been completed, the haphazard, hectic turmoil turns into an orderly, beautiful picture. The cadets who worked so hard and put so much time in this big event receive no reward other than the satisfaction in the feeling that they have done their part in making the ball a notable success.

PETE WILLIAMS

After having a fairly good season (won 4—lost 5—tied 1) last year John Marshall's football team is ready once again to go on the gridiron to help write another chapter in John Marshall's brilliant history. To lead the team Benny Gill and Lynn Newcomb have been elected as Co-Captains.

WARWICK

John Marshall's inspired eleven walloped Granby in a surprising 26-6 victory lead by Captain Benny Gill, who received a leg injury, while Rus Bowles showed excellent football in his defensive work.

GEORGE WASHINGTON

Jayem downed a small but determined G. W. Team by the score 12-0. Marvin Nuckols smashed over for both scores on line bucks. Al Foxwell displayed his football abilities in the end position.

HOPEWELL

The Justices stunned the Hopewell Blue Devils for a first half score of 7-6 only to be defeated in the second half by a 20-14 score. Jerry Baber, Jayem's little man of the line, played one of his best ball games. Harold Dixon recovered a fumble and raced 96 yards for a TD.

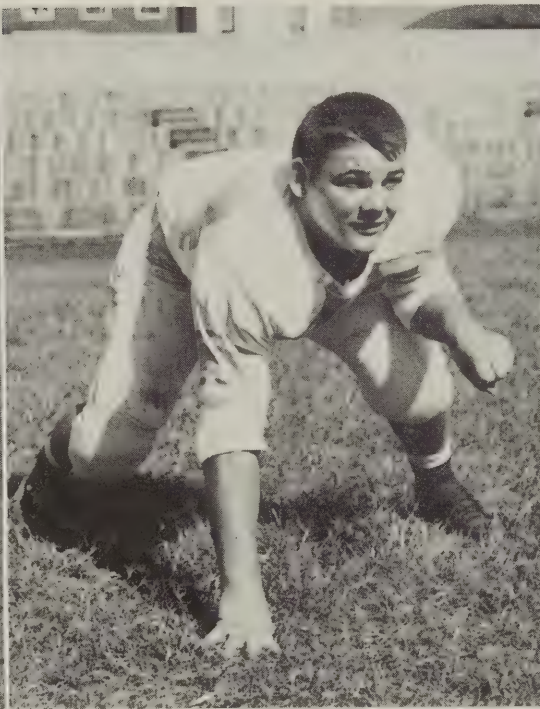

BENEDICTINE

On a mud soaked field the Benedictine Cadets edged out the Justices as time ran out with Jayem on the 1 yard line to a 6-0 victory. Jerry Kantarjian, our tackle, played a very good game on defense.

PETERSBURG

A luckless Petersburg eleven dropped a 6-0 victory to John Marshall. Moe Robertson, our fullback, carried most of Jayem's offensive duties.

HAMPTON

Jayem earned the name "Fighting Justices" in this game by fighting Hampton to a close 14-7 ball game. Lynn Newcomb, our captain, showed excellent football in his defense work in this ball game.

HERMITAGE

The Fighting Justices reached their peak by defeating Hermitage in a stunning upset 18-8. Jayem showed their ability as a group on defense and excellent team work on offence. Bobby Hardy, Jayem's able flankman, played an important role in this victory.

THOMAS JEFFERSON

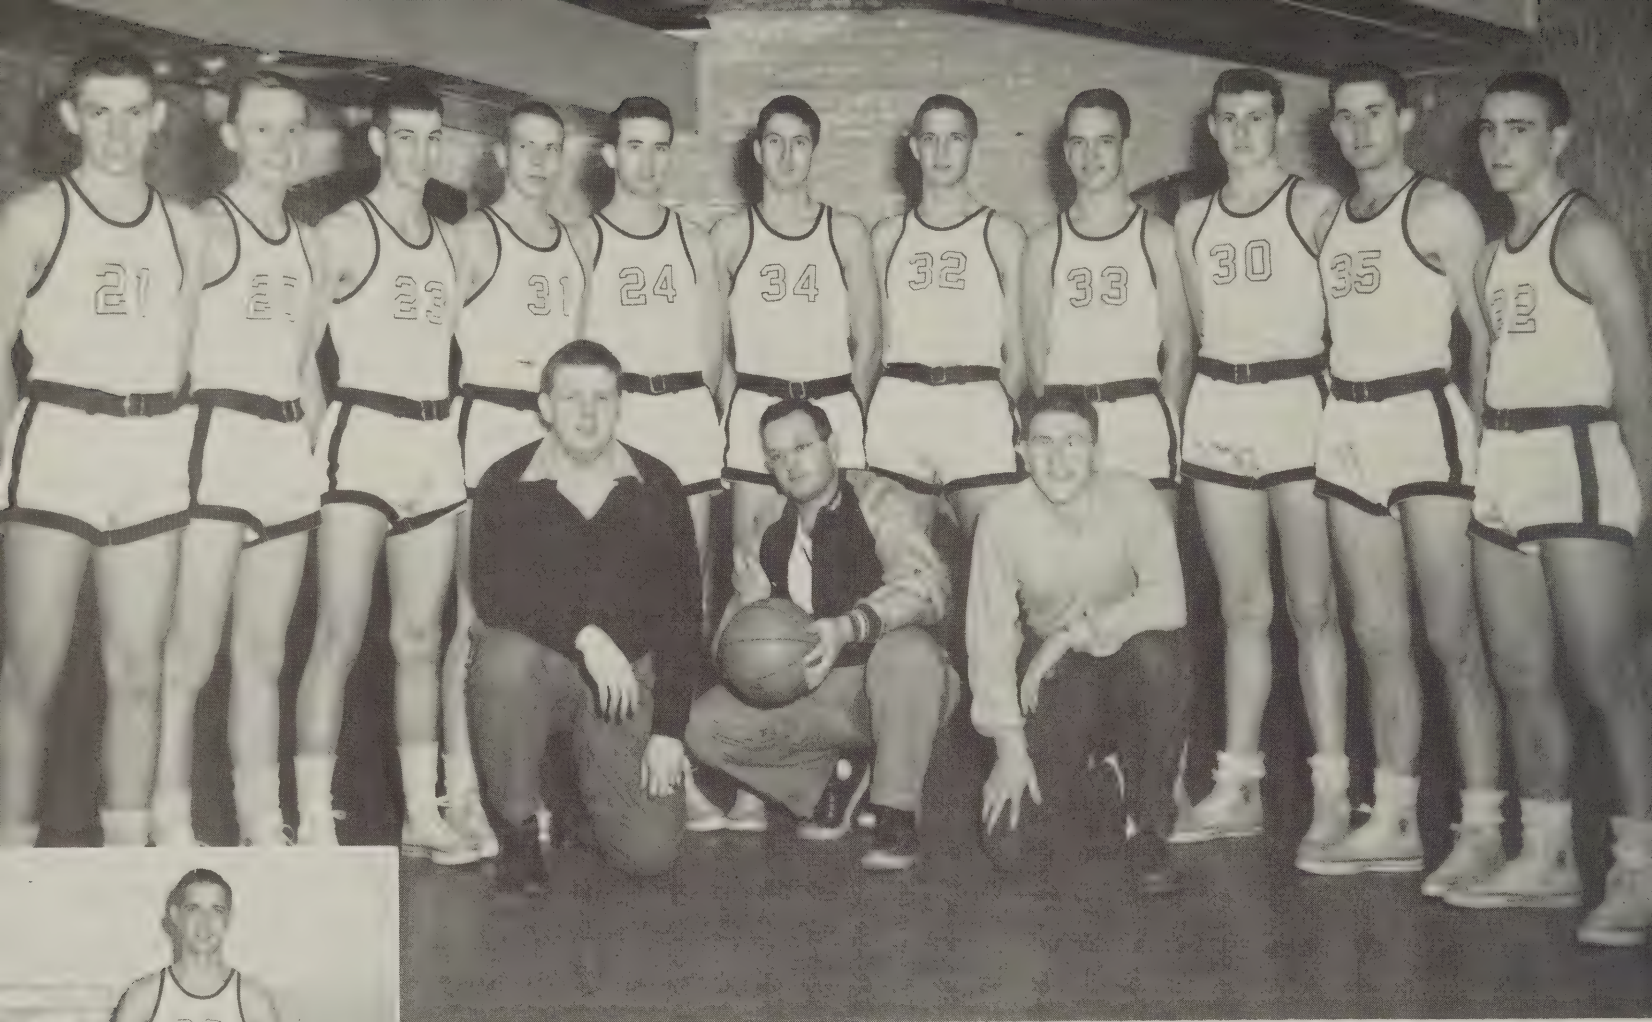

The annual Tee-Jay football game was played on Thanksgiving Day. The Justices took to the field with spirits high. The first half of the game was played fairly even to a 0-0 tie as time ran out. Returning from half time the Justices were still spirited but "The Jenkins Affair" seemed to let the team down in spirit and Tee-Jay went on to win a hard 19-0 victory. This game climaxed a good year for the team under the coaching of Coach Goodlow and his able assistant, Coach Hollingsworth.

HIGHLAND SPRINGS

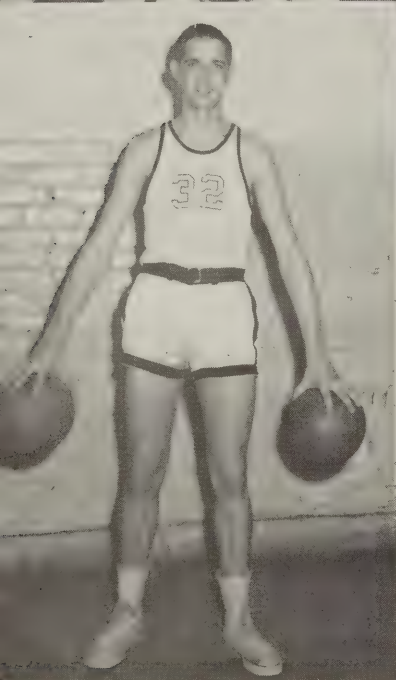

Highland Springs seemed to be way out of their class when John Marshall whipped them to a 21-7 victory. Whitey Clarke, our quarterback, played one of his outstanding ball games.

Basketball

COACH CLAYTON RECHENBACH is starting his second year as coach of the John Marshall basketball team which last year went to the State Basketball Tournament. Coach Rechenbach is a strong believer of fundamentals in basketball. He started this season by teaching the team fundamentals.

John Marshall's basketball team is probably one of the best teams in the Central District race this year. Vance Long and Mike O'Bryan were chosen co-captains. Both of these boys are returning from last year. Vance is dead on set shots, while Mike is a hookster. Other able netmen are Bobby Hardy, our team's spark plug; Johnny Quick, a very accomplished one-hand push shot man; Harry Lee Goode, Jayem's floor man; Buck and Tom Jones, good all-round players for the Blue and White. Rodney Chapman, a letterman, also assumed many duties throughout the season.

Jayem won some very impressing victories by defeating Hermitage, Benedictine, Hopewell, and Petersburg.

Basketball is fast becoming one of America's most popular sports, and a lot of time is spent in practice and work to produce a winning team. The basketball facilities here at John Marshall are not what they should be, but we always manage to produce a fairly good team. There has been talk of a new gymnasium, but nothing definite has been decided as to whether or not we are going to get it.

Well, Marshallites, let's all go to the basketball games and support our team and we will have one of the best teams—win or lose.

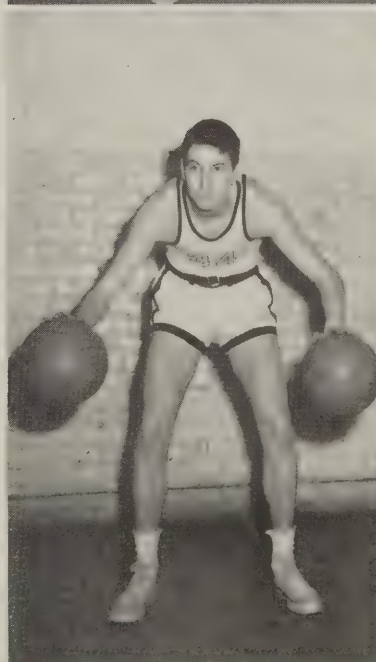

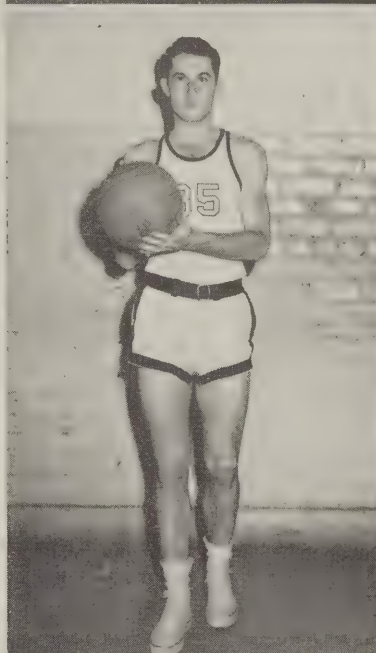

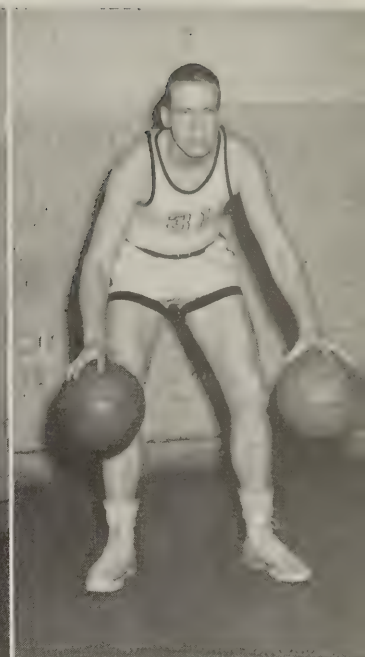

Is it a goal?

Baseball

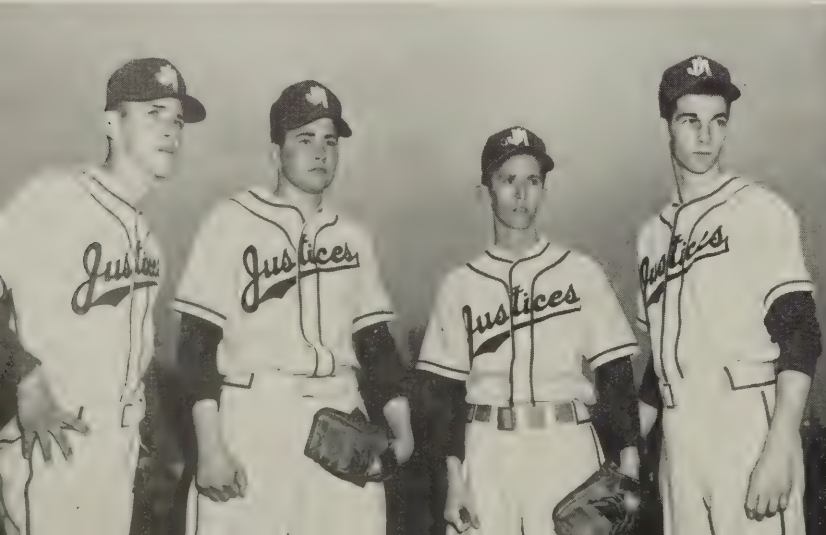

Jayem's baseball team is looking forward to a good season as they start practice. Everyone is quite proud of the record of our baseball team for they have been running a hot string of victories defeating such teams as Hopewell, Thomas Jefferson, Benedictine, and Highland Springs. June Graduation seemed to strip Jayem of some of its great ball players. Bucky Luck, Vance Long, Bob Johnson, Allen Barbee, Stan Cary, and Marion Martin are some that we Marshallites will miss from the line-ups.

Herman Clarke and Gibbons Mangum have been chosen co-captains by the team. Both of these boys are very capable ball players. Gibbons plays short stop while Herman plays the "keystone" position. These boys have the making of a double play combination.

Jimmy Allen, a sophomore will fill the third base position vacated by Sonny Adcock. Centerfield, a very important position played by Allen Barbee, is now being filled by his understudy of last season, Junie Wyatt. In the position behind the plate we find three very capable ball players in Rus Bowles, Cliff Taylor, and Harry Goode. The leading pitcher is Lewis Brandt. Bobby Hardy, a four sportsman plays first base with the ability of a pro.

John Marshall High School has, in the past, produced some of the best Track teams that have been known through the years. To produce a good and winning team the coaches and boys must have the support of the student body, as Track is probably the only self-reliance sport in the high schools in the city. When you participate in this sport you are almost entirely on your own except for the helpful hints and training that is provided by the coach.

In the past Jayem has produced such trackmen as, Jack Gale, hurdles; Bill Butler, dashes; Bob Pate, high jump; Bob Parrish, dashes; Sterling Wingo, dashes; Lee Early, 880; Allen Barbee, dashes; and Joe Holland, shot put.

Coach Goodlow at the beginning of this season is administering the 5-Star Track Program with the help of Mr. John Core, creator of the 5-star program. This program helps to bring out some unknown talent a boy might have.

Some of the team's special duties include the State Meet, Tidewater Meets, and the Central District Meet.

Marshallites, while you are in high school you are doing some of the things that will remain your memories as long as you live and to help make those memories gay ones, what do you say that we all go out 100% and support our teams of the past, present, and future and then you can really say I am a true Marshallite.

*First row: Janice Glover, Dot Marks, Mary Lou Davis, Marilyn Rechenbach, Naomi Johns, Barbara Wade, Pat Tucker, Barbara Jackson.
Second row: Sandra Strang, Jean Siefert, Patty Dingley, Connie Dean, Shirley Dowdy.*

Our Cheerleaders

Now that the cheers have faded out, we are able to look back at the many activities of our cheerleader squad.

Miss McClintic and the squad chose new girls in June '52, and held practices every Tuesday night through August. Their first program was cheering for freshman orientation which was followed by a busy schedule of games, pep rallies, and school services. The girls boosted the spirit of our G.A.A. dance with a pep rally at intermission. Senior girls cheered for the Red Feather Campaign in October.

John Marshall's squad added a cup to the Jayem trophy case by winning first place at Thalhimer's cheering contest of October 4.

Our participation in the Tobacco Bowl Parade this year was a gala occasion as we preceded the truck of the Phillip Morris Company with their well known "Johnny."

Naturally, a highlight of the season was the day that each girl received her monogram for her year's service as a cheerleader, but it also meant that another cheering year was over.

Marilyn Rechenbach gets a yell lesson from head Cheerleaders, Barbara Wade and Naomi Johns.

RETURNING lettermen Phyllis Cecil, Mickey Eagles, Bobbie Frye, Joyce Jeter, Elsie Jones, and Ann Madert, were joined by Jeanette Barnhill, Mickey Gale, Jennette Talbott, Juanita Western, and Joyce Witherspoon, to have a very successful season.

With hopes high the Jayem girls ended the season with a 2 loss, 4 win, 1 tied record.

Probably the most thrilling game was the 3-2 victory over the crosstown-rival, Tee-Jay.

At the Allied B East tournament played at Petersburg, Ann Madert won a position on the All-Prep team, while her teammate, Phyllis Cecil, won berth as left-inner reserve.

This gave these girls an opportunity to attend the Virginia Allied B tournament held in Williamsburg, where Ann made right half-back on the Reserve Team.

Who'll get the ball?

With no returning lettermen, Miss McKenney brought up her Jr. Varsity team from last year.

Betty McGhee, captain, was backed up by guards, Myrtle Beasley, Mickey Eagles, and Barbara Harrington. Bobbie Frye led the forward attack with a 14.5 average, along with June Ball, Hazel Dennis, Pat Kelley, Claudette Owen, Sandy Strang, and Jennette Talbott.

These girls got off to a bad start with losses to two nonleague teams. At the next encounter, the Jayem girls handed Petersburg its worst defeat of the season.

With a loss to strong St. Gertrude's and a triumph over the Blue Devils, the girls were ready for anything in the game with unbeaten St. Catherine's.

Owen's rebounding and Frye's bank shots paced the Justices' first half with a 18-12 lead over the opponents. But Sally Chinn was back on her feet to break through the defense set up by guards, Mickey Eagles, Barbara Harrington, and Betty McGhee, to rack up the points. The girls of yellow edged over the Justices to win 39-33.

They ended the cage campaign with only 3 wins while dropping 5.

The Justices played hostess for the All-Prep tournament held in the R. P. I. gymnasium. Here Bobbie Frye won a berth on the All-Prep team, while teammates, Mickey Eagles and Betty McGhee won positions on the Reserve Team.

Led by Captain Jeanette Weeks, the Jr. Varsity chalked up a .500 mark to carry the B team through.

interesting work

...and you can get it!

Telephone work is interesting — and you don't need experience to get a good job after graduation!

That's one reason why so many girls head for the telephone company when they finish school. They know they'll earn good money from the start, even while they're trained, and get raises regularly.

Your high school counselor can tell you more about the many different telephone jobs — or come in and see us when you finish school!

Planning For Future Security...

Thousands of young men and women graduate from high schools throughout the land this June. Many of them look towards college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative.

Life insurance guarantees many other personal and family ambitions too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.

ATLANTIC LIFE INSURANCE COMPANY

Founded 1900

RICHMOND, VIRGINIA

"Honestly, It's the Best Policy"

Three short years we're been together
between these inspiring walls
And now we must leave them all behind
For a life if adventure calls.

A part of each heart will stay behind
As our homeroom says "adieu"
Our dreams of the past at this birth-
place stay
Dear J. M., here with you.

The Mark of A Champion . . .

WHEN a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

Alma Mater

I'm High School born and High School bred,
And when I die, I'll be High School dead;

So 'ray, 'ray John Marshall High School!
'Ray, 'ray John Marshall High School—
'Ray! 'Ray! 'Ray!

The Blue and White will wave on high,
We'll win this game today or die;

So 'ray, 'ray John Marshall High School!
'Ray, 'ray John Marshall High School!
'Ray! 'Ray! 'Ray!
